

FlexSmart PRO

QUICKEST ORDER PROCESSING

BULK PROCESS ORDERS SMARTLY

FlexSmart PRO

FlexSmart PRO Highlights

FlexSmart PRO is a cloud-based online tool to bulk-process your marketplace orders. The platform is currently enabled to process your Flipkart-Smart Fulfilment orders in just 2 simple steps.

General product information

FlexSmart PRO

93%

faster than processing directly

We've made sure that FlexSmart PRO makes it immensely faster for you to process orders of your marketplaces, even than if you were to process from the marketplace channels directly

**FlexSmart PRO is
solidifying your
online growth**

By fast-tracking your shipments across marketplaces

FlexSmart PRO

Live metrics on your FlexSmart Dashboard

FlexSmart gives you real-time performance and account related widgets on your dashboard, another first of its kind.

Product Highlights

No Individual Scanning

No requirement to scan orders one-by-one in the picklists. One-click will auto-process all orders in your picklist

Multi-Picklist Processing

Open multiple picklists in separate browser tabs and process them simultaneously without any waiting period.

Auto-Cropping

Get your invoices and labels auto-cropped separately with the continuous print feature. Processed orders available even after they are processed

Access Anywhere

FlexSmart PRO can be accessed from any system or mobile device, with the inbuilt cloud-print feature to print your invoices and labels from remote locations.

Smarter That's It!

One time, 2 minutes setup

Simultaneous Picklists

Available on Mobile App

While FlexSmart PRO is a super-automated software, should you need our support at any time, we are just a call away - +91-85-999-000-25

What are **sellers saying** about FlexSmart PRO

Gaurav Sandhu

Weaves India

This is the fastest order processing solution available on earth. And it costs me just 9 paise per order.

Piyush Tulsian

Kharidiye dot com

Amazing super fast speed from FlexSmart PRO. Never imagined I can do the same directly at Flipkart seller panel.

Chandan Bhatia

Global Fashionista

It's super simple to use FlexSmart PRO. I don't have to depend on people to ensure that I ship my orders on time.
